From the Principal's Desk

Talofa, kia ora and welcome to this week's newsletter.

Here we are on the second to last newsletter for 2018. This newsletter is very full and needs careful attention as to what is happening, and when. It has the detail that you will need to help keep everyone on track.

Last week we had our year 5/6 in school Camp. It was great. The children gave everything a go and really enjoyed themselves. Well done to the year 5/6 teachers who went the extra mile to give the children such a full and rich experience. This was only able to happen with the help of so many parent helpers and Constable Herrick. We are all so grateful for your time and effort.

Today we thanked our Bible in School's teachers for their years work. We are very grateful that they choose to volunteer in our school. We wish them all a Merry Christmas and look forward to seeing them again in 2019.

The children receive their end of year school reports on Monday, 3 December. Their 'Learning Journals' will come home at the same time. These are yours to keep for your personal records of their time at school and the progress they are making.

Good luck reading the reports and learning journals with your child.

E noho ra

Peter Hopwood,
Principal

Board Talk VACANCIES

The Board will have several vacancies to fill next year. We encourage all parents with any interest in being a Board of Trustee to come to Board meetings between now and elections in May 2019 and check out what we do. Becoming a Board of Trustee is a great way to give back to your community and make sure all our children receive the best possible education. Board meeting dates are in the newsletters. We will also be looking for a new Minute Secretary next year. Our next Board meeting is Tuesday, 20 November at 6pm.

For more information see separate page

School Donations

Our Board of Trustees has decided to keep our school fees at the same level for 2019.

The donations for 2019 are - **Single child \$60 per year; 2 children \$80 per year; 3 plus children \$90 per year.**

These donations assist the school with buses, visiting shows and other non curriculum activities that your children do. We do not ask for further monetary contributions so we do encourage as many parents as possible to pay the donation. You will find that we have the lowest donation amongst all the city schools.

If you wish to set up an automatic payment, \$5 per week is sufficient to cover all the costs for a single student and you may even have a credit that could be used for photos, or sports etc. Our bank account number is 031742 0052461 00. If you wish to set this up please use your child's name as a reference. Those that are currently doing this find it a very painless system.

The Donation is voluntary and can also be claimed off your income tax as a donation.

School Accounts

School Accounts went home with the children this week. These accounts show deposits up until the end of October, therefore, any deposits made after this will not be showing on the statement.

Consumables are a compulsory item. Please ensure consumables i.e. reading log (\$3) and Bible in Schools book (\$7.50) are paid in full, otherwise they accumulate year on year. Donations are voluntary so you are able to claim a rebate through your tax return.

Payment can be made electronically to bank account number 031742 0052461 00, eftpos or by automatic payment.

If you have any concerns regarding payment please contact Maureen at the school office.

School Stream

Thank you to everyone who has downloaded School Stream.

This is a great service to keep you up to date with events and information from Donovan Primary. Anyone can download this app so do encourage everyone connected with our school to make use of this.

Other services available include access to canteen ordering, newsletters, absentee form, event information, permission for trips, school sports registrations and more.

To continue to enhance the programme please set up your account inside the app. Go to main menu then log-in or create an account. Eventually we will be able to contact you individually via this service.

You can delete any items you do not wish to keep, thus reducing the amount of items you have to look through at any one time. Also, you are able to turn off some notifications by going to the main menu, then you will only get the notes you want to receive.

If you have any questions about School Stream please contact the office for assistance.

Enrolments for 2019

If you know you will not be returning to Donovan Primary in 2019 please let the office know.

Or, if you know of a new child coming in 2019 who still needs to enrol please advise us as soon as possible. This information assists us with 2019 planning.

Asthma and Allergy News

Top 10 tips to survive summer!

A quick guide:

- Don't take a medication holiday, without getting advice first
 - Be prepared and plan ahead before travelling
 - Make sure you consider taking extra medication with you if needed
 - Don't let your asthma or allergy routine slip during the holidays

To all the teams: I enjoyed watching your skills and especially your teamwork grow with the basketball during the season. Remember to keep shooting those hoops and I hope you all carry on playing next year.

To all the parents, who transported the children to games and helped with scoring, thank you for supporting the children positively during the season.

Lastly, to all the coaches, who gave up their time to help the children learn the game. We could not field the six teams we had without your help. Many thanks for all your help.

Edukits New Free Android application to talk to someone in times of need. After the sad mentioning of the suicides in Porirua on the News (30 October) and a quote saying, "But when we get told, 'Oh, ring ... Youthline, ring this, ring that', the kids get so confused and so angry", we thought about what could be done. Edukits thought of a 'one-stop' service and created our new "HelpMe" app for everyone in New Zealand. This Android app makes things easier and makes help always at hand for everyone. It is preloaded with help numbers for different needs and people of all ages can call for help at the touch of a button. It's not much but we are supplying it for free for everyone in NZ and hope you see it as a help for your students and spread the word on this new phone app to help all Kiwis. It is completely cookie, pop-up, tracking and advert-free and free for life without obligations or contact from Edukits at any time to the user. Read more, download for free and share from our website: <https://edukits.co.nz/app1/index.html>. Regards, Stuart Macmillan, Edukits.
