## From the Principal's Desk

Talofa, kia ora and welcome to this week's newsletter.

So here we are at the end of term 3. There is so much to look forward to in Term 4. Term 4 only has nine weeks which means we will be pushed to squeeze it all in. Year 5/6 camps are next term and the forms are out on School Stream. If you haven't signed up to School Stream (it's free) best get on to it. With many things timetabled for Term 4 please keep up with the newsletter and electronica notifications.

During the holidays we are continuing to upgrade our facilities. This break we are replacing carpet in Rooms 17/18/19 and 10. Big moving job ahead on Friday afternoon.

During the next couple of months we will have a starting date for our school to be fully fenced. This safety fencing will be to close in the whole school including the back field. During non school hours the gates will be open for access to playgrounds, tennis and basketball areas etc.

Please remember to get all children turning five, enrolled for 2020. This is so we can plan the number of classes. It is hard to pull a teacher out of thin air if we don't know the five year olds are out there. Please tell your friends, neighbours and wider family to enroll their children if they meet our enrolment zone criteria.

Happy holidays with your children, full of lots of outdoor activities (or less screen time!) See you all on Monday 14 October before 8.50am.

E noho ra

Principal
