From the Principal's Desk

Talofa, kia ora and welcome to this week's newsletter.

This is the second to last newsletter for 2019.

As I start writing this newsletter blurb our first camp has left for Omaui. The weather is very unsettled but with a few tweaks to the programme the children will have a great time. We have five classes going end on end to camp and we will be finished on the 29 November. We have had an excellent response from parents this year which has been great to see.

Over the Christmas break you will see quite a bit of activity as you pass the school. We are re-carpeting four rooms and one corridor, then our fencing project will start in January and continue into mid/late February. This is special needs safety fencing and will protect our most vulnerable children.

Thanks to the PTA and School Council for last weeks Junior Disco, again a great turnout.

A safety reminder about parent cars dropping off in staff carpark, we are not encouraging this at all. The congestion is unsafe with multiple cars trying to get in and out of the same entrances and children running across the carpark when there are other cars trying to negotiate through it. We don't want a child to be hit if someone cannot see them or is trying to back out of a park. Children can walk in through the main walking entrance instead of the office block. We are trying very hard to move the foot traffic to the new main entrance. Drop off are to be in the designated P2 area in front of the school.

A reminder that children should not be arriving to school before 8.20am. We currently have some children arriving as early as 7.50am. This is unsafe and not acceptable.

So much on the go at the moment so keep up with the calendar in the Newsletter and on School Stream.

Thank you to those people who have already handed in their raffle tickets and supplied goods for the Christmas hampers. If you still have tickets, please remember that they have to be back to school by this Friday. If you have misplaced your ticket please let the office know as every ticket must be accounted for before the raffle can be drawn. Hamper donations are still being accepted at the office.

Out of School Music 2020 Enrolment for Musicianship (Recorder)

Our Musicianship classes run for 30 weeks each year for 2 years (Saturday mornings during school term). Children aged 7 and over are taught to play the recorder as a basis for note reading and fundamental music skills. Some students who practise often and advance quickly may also be ready to learn another instrument in their second year.

Children learning musicianship are also welcome to join our choir which runs for the whole year. There is no extra cost for this. Music Awareness is available for those aged 5-6 at various advertised times during the year (depending on demand). After graduating Musicianship, children are able to learn to play a wide range of instruments. We offer tuition in guitar, percussion, violin, cello, double bass, flute, clarinet, saxophone, oboe, cornet, trumpet, horns and more, as well as the opportunity to participate in a number of ensembles and orchestras, and learn music theory.

Classes are held in the East Block of Southland Girls' High School, Tweed Street, Invercargill.

We suggest you discuss the idea with your child before enrolling, and be prepared to support and encourage them with their learning and practice at home. We ask you to attend at least the **first three lessons** of the year and thereafter as often as you can (some parents bring their own recorder and join in the class). We are required to maintain minimum roll numbers and ask you to respect this by ensuring the regular attendance of your child.

Classes for 2020 will commence on February 22. You will be notified by mail beforehand of your child's class time and room number.

Newsletters and End of Year Reports will be sent home with the children. We invite you to contact us at anytime for further information or feedback or check our website www.osmc.co.nz. We look forward to your child joining us to enjoy a new learning experience and a pathway to further opportunities to share their talents, develop their skills and make new friends.

For further information please email admin@osmc.co.nz or leave a message on OSMC answerphone 2165137 and we will

Water Polo

A huge thank you goes out to our wonderful parents who have given up their time to coach and help our students this year. Thank you to Julie Welsh, Megan Dick, Tammy Edginton and Lisa McCleery for your dedication and support to our Water Polo teams. Well done to all our teams involved this year and good luck to the Donovan Divers who are playing in the finals, plus the Donovan Dragonfish, Sharks and Dolphins who are playing for 3rd and 4th place in our final games tomorrow!

Miniball Finals

Congratulations to our Miniball teams for an outstanding season.

On Monday we played some tough games in the finals with Donovan Sharks and Donovan Diamonds both winning their grades. Donovan Thunder and Donovan Rockets were both second in their respective grades. Outstanding games everyone. A special thank you to those parents who have helped out during the season. We could not have done it without your help. Your coaching and helpfulness on and off the field have encouraged our students to gain confidence and improve their skill base. Thank you all.

Library books, resources and instructional readers should already be returned to school. If you find some at home, please send them along a.s.a.p. All sports uniforms should be washed and returned back to school a.s.a.p after your last game.

My Brag Book will go home on **Friday, 6 December**. The Brag Books are for you to keep.

Merit Assembly will be on **Wednesday, 11 December in the Donovan hall**. Juniors will start at **11am** and the Middle and Senior students will start at **1.30pm** on this day.
