Haere Mai to this newsletter.

As promised here is some information about how to interpret the new report requirements.

So the next part of our learning is that each child is only judged against their current year level.

So every year they have a new set of expectations to meet.

For struggling learners this could look like they are not making any progress. For some children they could be working a whole year below their current year level but being judged on their year level not where they are working.

Therefore children could have developing/consolidating or emerging on both reports this year. Which looks like they are making no progress when they actually are!

The narrative of how they are doing is a more realistic guide for some children plus the Parent Interview to talk about how your child is engaging with the work.

A one size fits all system just doesn't meet the needs of our many and varied learners.

By the time you get this newsletter Junior Swimming will have started. Check the calendar for the 10 sessions of Junior Swimming.

Our school Cross Country (Y3-6) was held last week in weather perfect conditions. Many children surprised themselves and achieved great results.

We had no one that gave up, well done on your resilience and drive. A big shout out to our parent helpers and our P.A.L.S children.

Peter Hopwood
Principal

Middle/Senior Syndicate Cross Country

A huge congratulations to all of the children who ran in our Cross Country at Donovan Park last week. All children did very well and should be proud of their efforts.

Thank you to all of our PALs who helped with marshalling, directing children and encouraging and supporting the children as they ran past them. A special thank you to Hannah Forbes who was noticed by many staff members and parents for being especially kind and supportive.

Thank you to all of the parents who came along to help out. We really appreciate your support and couldn't do it without you!

Accounts

Your child's account will be sent home soon. Donovan Primary do not charge any school fees. Junior and Middle students will have Reading Logs (\$3.00) on their accounts. Also any unpaid sports fees will be added as well. We would appreciate payment before the end of term two.

Absences

School Stream App—go to Forms then Absentee Form and complete absence and submit or **text** your absences on 0273 727070—child's first and last name, class and also reason for absence. You can also go to the url on your computer - <https://donovanprimaryschool.myschoolstream.net>

Canteen Heatups

Just a reminder that it costs 20c per heatup per student to have your child's lunch nice and hot for lunchtime.

The PTA have tried to make it as easy as possible by charging 20c per heatup or \$4 per term or \$10 per year per child.

You can send the money along to either the office or the canteen anytime or pay for it with the Friday Menu through School Stream. The heatup service may become unavailable to families who make no effort to pay for this service. The canteen would like arrears to be settled as soon as possible please. A note will come home as a reminder. The easiest way is to pay for a year subs of \$10 per child for the entire year and you don't have to hunt out 20c every time you wish to have a nice warm lunch for your child/ren.

Well done to the children who ran in the Kiwi Zone Cross Country yesterday. Everyone tried their best and there were some awesome results!

The **top six children from the 10 and 11 year old races have qualified for the Southland Primary Schools Cross Country** which is on Friday 12 June. Information will be given out sometime in the next few days

NEW STUDENTS

A warm welcome to our new families to the Donovan Community.

The children below started with us since our last newsletter. We hope that they and their families enjoy their association with Donovan Primary.

Nixon Sutton, Carson Kelly, Lucy Holmes, Kyah Parry, Tegan Russell,
Astra Pradham, Maddison Sheat

We have communicated many times about the major priority of the Government around attendance and being at school on time. This year NZ schools are implementing new procedures, these are to be in place by Term 1 2026. The Government target is for 80% of students to attend regularly, that is to attend school more than 90% of the time.

Good Attendance (Good chance of success)—is less than 5 days absence in a school term.

Worrying Attendance (Less chance of success) is up to 10 days absence in a school term.

Concerning Attendance (Hard to make progress) is up to 15 days absence in a school term.

Serious Concern (Very hard to make progress) is 15 days or more of absence in a school term.

We will communicate with you if your child is at any of the above stages and we will endeavour to work with you to achieve good attendance.

Lateness is electronically recorded and monitored. Of all absence problems, this is by far our biggest concern.

Having learners at school, in class by 8.50am is what we need to achieve.,

A reminder—children are NOT to be dropped off before 8.20am. There is no supervision of care until 8.20am.

Community Notices

Please read the Community Notices that is sent with this newsletter. It has lots of information that may be of interest to the students as well as the parents/caregivers.

Friday 19 June is.....

“Fluro Friday”!

Come to school dressed in your brightest colours and don't forget your gold coin for the Coin Trail to support Hato Hone St John!

School Disco Reminder—Friday 19 June

This is on the same day as “Fluro Friday”.

More details will be posted on School Stream closer to the time.....

REMINDERS—

- Sports fees are to be paid to school as soon as possible.
- Cellphones to be handed into the office

Hand Foot and Mouth

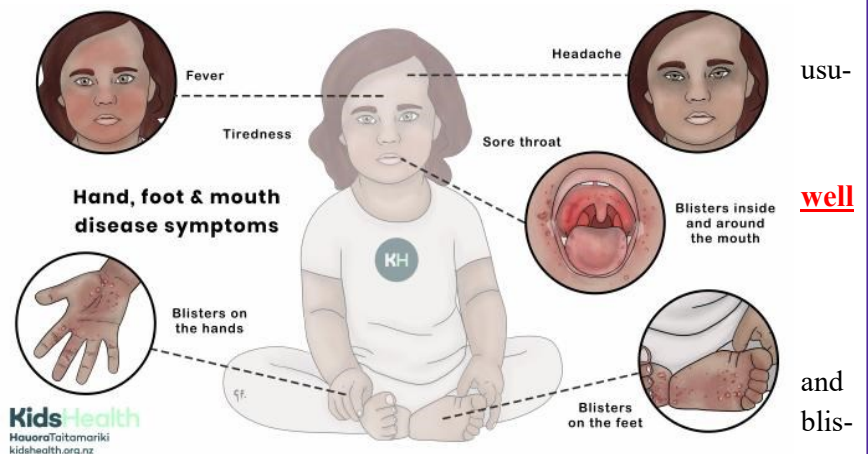

There has been a few cases at school recently, please be aware and familiarise yourself with the symptoms around this illness.

Key points about Hand Foot and Mouth

- Hand, foot and mouth disease is a common viral illness in tamariki (children)
- Tamariki may get red or fluid-filled blisters on their hands, feet or other parts of their body
- Tamariki may also get painful red blisters in and around their mouth,. Other symptoms can include loss of appetite, sore throat, headache and tiredness
- Tamariki with hand, foot and mouth disease ally get better in about 3 to 7 days. Sometimes the rash lasts a bit longer

- **Keep your child at home until they are again and all the blisters have dried, most tamariki recover without needing much treatment**

- Hand Foot and Mouth is easily caught and spread from person to person by coughing sneezing, contact through mucus, saliva, ters and faeces from infected persons. Seek

Flying Wasabi is back — now on ezlunch!

Medication

Just a reminder that if you are requiring your child to have any medication administered during school hours, there are a few things we need. (This includes inhalers)

- All medication must be handed into the office for safe keeping
- If it is a prescription medication, we do require it to be in a container showing the name and dosage on the script label.
- A medical consent form needs to be signed by the caregiver.

We do have a fridge in the medical room if medication needs to be kept cool. If your child has to take medication home each day, perhaps talk with the chemist and they may split the medicine into two containers, one for school and one for home. If medication does need to be taken home after school each day, it is the responsibility of the child to remember to come and collect it.

School Stream - We understand that everyone is busy and reading the endless notifications we send out on School Stream can be time consuming. So if it would help, you can thin down the notifications you receive to ones that are relevant. Please read the link below. Please keep the 'Whole School', 'Newsletters', 'Canteen', 'PTA', 'Community Notices', 'Covid' and relevant syndicate levels as essentials. (Sports folders and any others you select can be hidden). Do not panic, you can retrieve the folder again if your child decides to play sport, or change syndicate or has camp etc. I will post everything to the 'Whole School' folder if relevant for the whole school, but reminders etc will go to the respective folder. If you have not kept that folder, you will not see any notifications posted to it. Sports draws will go straight to the respective sports folder. If you have not set up your account and try to start this process, School Stream will ask you to set this up first. Just follow the steps and once completed you will be able to hide folders <https://support.schoolstream.com.au/en/articles/2115370-manage-notifications-and-hide-folders>
